WHAT TO DO IN THE EVENT OF A MECHANICAL BREAKDOWN

PURCHASER

1. Return the VEHICLE to the selling dealer.
2. If the VEHICLE cannot be returned to the selling dealer, take the vehicle to the nearest franchise dealership or certified repair facility. If the ADMINISTRATOR is unable to obtain favorable conditions for the repair of covered failures at a particular repair facility, the ADMINISTRATOR reserves the right to prohibit the use of that facility for providing covered repairs. In any such case, at your request, the ADMINISTRATOR will assist you to identify alternative repair facilities that will provide you with favorable conditions for the repair of any covered failure.
3. Provide the dealer/repair facility with your CONTRACT and ensure that prior authorization is obtained from the ADMINISTRATOR. The ADMINISTRATOR reserves the right to require an inspection of Your Vehicle prior to repairs.
4. After the repair facility has obtained authorization for the repair, within 90 days, mail or fax necessary documentation to ADMINISTRATOR for authorized reimbursement.

REPAIR FACILITY

1. The repair facility must contact the ADMINISTRATOR at 877-238-3417 **before** working on the VEHICLE to verify coverage and obtain prior authorization.
2. Obtain the PURCHASER'S authorization for inspection and disassembly to determine the cause of the MECHANICAL BREAKDOWN.
3. Obtain a claim authorization number from the ADMINISTRATOR prior to any repairs.

Failure to follow the above procedures shall NULLIFY THE CLAIM, and COST incurred may not be recoverable.

If the purchaser relocates, has a claim while traveling, or requires assistance or additional information, call the ADMINISTRATOR.
